

What to bring: Mountain Equipment

- Mountain boots with solid sole
- Trekkingpants
- Rain jacket
- Fleece
- Cap/ hat/ sun protection for head
- Second set of clothes for changing in the evening
- Comfortable clothes and comfortable shoes (running shoes) for climbing, if desired

- First aid kit (with personal required items – we have a big kit)
- Torch or headlamp with new batteries
- Sun glasses, sun protection
- Hiking poles if desired

- Snacks (dried fruits, nuts, muesli bars, Powerbars)
- Water bottle, min. 1 Liter
- Small daypack (for camera equipment, snacks and bottle)
- Climbing equipment (shoes, harness, chalk bag) if available

What to bring: Photo Equipment

- Camera, manually operated, with shoulder strap
- Standard lens, for example 24-105mm lens
- UV Filter for all lenses to avoid scratching
- Cleaning kit
- Battery charger
- Memory cards and card reader
- Rain cover for camera or small umbrella
- Laptop (preferable!!!!) or external hard drive

Not necessary, but if available:

- Wide angle
- Tele lens
- Filters (pol or grey)
- Tripod (lightweight, if possible)
- Remote control trigger
- Spare battery (one is sufficient)
- Software for image processing (if you don't have one, you can download test versions of Adobe products during the workshop).

If you have any questions please contact us:
